Current positions held

- Registered Specialist in Oral Surgery by the Portuguese Dental Association.
 - Organization: Portuguese Dental Association (Ordem dos Médicos Dentistas)
 - Since March 04, 2017
 - <https://www.ond.pt>
- Editor-in-Chief of the JSPIR (Journal of Surgery Periodontology and Implant Research)
 - Since December 2018
 - <https://www.journalspir.com>
- Co-Founder and Director of the SPI-Research Centre (Surgery, Periodontology and Implant Research Centre)
 - Since October 31, 2016
 - www.spi-researchcentre.com
- Co-Founder and President of the Núcleo CIRO Association (Nucleus of Training and Investigation in Surgery, Implantology and Oral Rehabilitation).
 - Since October 28, 2014
 - <https://www.nucleo-ciro.com>
- Co-Founder and Chairman of the Fiscal Council of the Portuguese Association of Hospital Dental Medicine (APMDH).
 - Since 2013
- Co-Founder and Clinical Director of DAVALLMED Clinic.
 - Since January, 2008
 - <https://www.clinicadavallmed.com>
- Co-Founder Laboratory Dental Evolution (laboratory specialized in fixed rehabilitation).
 - Since 2011
- Private practice exclusively in the areas of Oral Surgery, **Implant Dentistry and Periodontology**.
 - Since 2008
- Invited Professor at Abel Salazar Biomedical Sciences Institute (ICBAS).
 - Since 2009, in the Oral and Maxillofacial Rehabilitation Surgery and Prosthesis module at the Master of Legal Medicine, with the them: "Damage **in Implant Dentistry**".
- Invited Professor at Faculty of Medicine of the University of Porto (FMUP).
 - Since 2013, in the Specialization in Clinical Orthodontics, with the theme: "**Periodontology, Implantology and Surgery in Orthodontics**".
- Invited Professor for several Lectures, Courses and Workshops in many countries.
- More than 15000 implants placed with around 8000 of them fully and properly documented with comprehensive records including photos covering all surgical and rehabilitation stages.

Personal Formation

Long term courses

- Degree in Dental Medicine (Dentistry) from the Higher Institute of Health Sciences – North (ISCSN).
 - 2000-2006
- PhD programme at the Faculty of Medicine of the University of Barcelona.
 - Investigation: biofunctionalized titanium implants in diabetic and osteoporotic animal model study. Testing four new Implant surfaces.
 - Presently in the final year
- Postgraduate course/Specialization in Periodontology by the Higher Institute of Health Sciences – North (ISCS-N)
 - 2184 Hours, January 10, 2007 – December 19, 2008
- Postgraduate degree/Residence in the Department of Stomatology of the Portuguese Institute of Oncology of Porto, Francisco Gentil (IPO), in the area of Oral Pathology, Oral and Maxillofacial Surgery and Rehabilitation.
 - 900 hours, October 01, 2006 – December 31, 2007
- Postgraduate degree in Advanced Nucleus of Dental Therapeutics (NATO) - Implant Surgery and Prosthodontics - Itu - São Paulo, Brazil
 - 180 hours, February 9, 2009 – March 06, 2009
- Postgraduate Course/Master course in Oral Surgery at the Faculty of Dental Medicine of the University of Porto (FMDUP)
 - 2214 hours, September 20, 2010 – July 20, 2012
- Post-Graduation in Oral and Extra-Oral Rehabilitation with Osseo-integrated Implants by the Faculty of Medicine of the University of Porto (FMUP)
 - 432 hours, November 1, 2013 – July 30, 2014
- Diploma of Advanced Studies (DEA) in "Clinical Techniques in Odontoestomatology" by the Universitat de Barcelona.
 - 891 hours, September 1, 2006 – July 1, 2008
- Certificate of Pedagogic Competencies nº F619342 / 2014

Short term courses

- More than 20 national and International courses, in the field of Implant Dentistry and Tissue Regeneration.

Scientific Work

Books/Chapters

- Co-author in the chapter “Biomecánica Ortodóncica” with Title “Reacciones tisulares a los movimientos dentários” in the book “Manual de Ortodoncia” by Prof. Doutor Josep M. Ustrell Torrent, published in Barcelona by Universitat de Barcelona, 2011.
- Co-author in the chapter “Cirugía Oral” with Title “Caninos Incluidos”, in the book “Diagnóstico y Tratamiento en ortodoncia” by Prof. Doutor Josep M. Ustrell Torrent, published in Barcelona, Elsevier, 2016.
- Co-author in the chapter “Cirugía Oral” with Title “Frenillos Bucales”, in the book “Diagnóstico y Tratamiento en ortodoncia” by Prof. Doutor Josep M. Ustrell Torrent, published in Barcelona, Elsevier, 2016.
